

Concord, CA

Downtown Concord Pedestrian & Bicycle Lane Improvements

PROJECT OWNER:

City of Concord

PROJECT DATE(S):

2015 - Ongoing

TJKM CLIENT REFERENCE:

Bernard Enrile
City of Concord
Community and Economic Development
1950 Parkside Drive
Concord, CA 94519
(925) 671-3031
bernard.enrile@cityofconcord.org

TJKM FEE:

\$183K

PROJECT DESCRIPTION:

The project proposes corridor enhancements along five roadways in Downtown Concord to provide last mile bicycle and pedestrian connections to Concord BART from the west, east, and south. The improvements include buffered bicycle lanes, Class II bicycle lanes, Class II bicycle routes, improvements at two unsignalized crosswalks, sidewalk expansion, Class I pathways, and curb ramp upgrades. TJKM is preparing the E-76 Request for Authorization for construction documentation and the PS&E for the project.

VISION THAT MOVES YOUR COMMUNITY
