**PROJECT DESCRIPTION:**

TJKM provided Safe Routes to School (SRTS) assistance for a number of projects in Sunnyvale, as detailed below.

- **Guided Bicycle Route Signage Citywide**

TJKM prepared PS&E for installation of bike route signage for future north-south and east-west routes throughout the city. TJKM identified the locations for each sign and approximately 500 signs were installed on new and existing roadside sign and street light poles.

- **Signing and Striping Enhancements at 14 intersections**

TJKM prepared PS&E for installation of signing and striping at 14 designated SRTS intersections. The project included installation of high visibility continental crosswalks, school crossing signage, and yield pavement markings.
